

HRI- Lighthouses of Love Application

In order for us to best know how to serve your needs and begin praying for you prior to arrival, it is important that we have as much info about you as possible. So, please take the time to thoughtfully fill in the application and to ask for a recommendation from a trusted pastor or ministry supervisor. We plan to get back to you within 7 days of receiving your application and connecting with the reference you provide.

Please have **a Letter of Recommendation sent to us from your pastor or current ministry supervisor.** The recommendation should include: 1. The person's relationship to you, 2. How long they have known you, 3. Why they believe it would be good for you to come to HRI, and 4. Anything they know of your history that they believe would be helpful for us to know. -(They should **also include their email and phone contact info.** In case we should want to speak with them.)

They can send this recommendation letter to our email at: info@harborofrefuge.org
